Statement Regarding Coronavirus (COVID-19)

In an abundance of caution and to promote social distancing **we will temporarily close our lobby on March 19th until further notice.** We realize that closing the lobby may be an inconvenience but believe that doing so is currently in the best interests of our customers and employees.

We ask that our customers instead use our online banking services (including remote check deposit), the drive-up window, and our large network of MoneyPass® ATM machines. For those customers that require services that cannot be handled via online banking, the drive-up window, or ATM machines, we ask that you call 307-634-8844 to speak with a customer service specialist.

For those customers who wish to enter the lobby, please call to schedule an appointment. We have implemented a strict routine of sanitizing all high traffic areas in an effort to reduce the likelihood that one of our customers or employees could spread COVID-19.

As we monitor the spread of COVID-19, we will continue to communicate with our customers as the situation evolves. Should the situation worsen, we have a plan in place to continue serving our customers. As required by federal law, Cheyenne State Bank maintains a Business Continuity Program including a Pandemic Plan.

Cheyenne State Bank is proud to serve our community and will do all that we can to help reduce the impact COVID-19 has on our ability to serve our customers. We also look forward to helping restore a sense of normalcy as soon as possible once the COVID-19 virus threat eventually and inevitably diminishes.

As always, we appreciate your business and thank you for choosing Cheyenne State Bank.
